MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Coverage of the Cuban Revolution

25X1
Mr. [redacted] advises me that you are concerned about whether there may be some feeling that we did not adequately cover or forewarn the policy makers concerning developments in Cuba. It may interest you to know that I sent over to [redacted] the compendium of our Current Intelligence reports that was prepared for you by the AD/CI. [redacted] returned this with a brief note to the effect that he thought we had done very well.
